<https://www.facebook.com/groups/cminscotland>

IT for Ministers – group of IT enthusiasts will to help with IT questions/issues – request to join:

<https://www.facebook.com/groups/itsforministry>

## **Mental health**

Port Glasgow New Parish are setting up a mental well-being group with the help and resources from a Christian Charity called The Mind and Soul Foundation - they will explore the topics of depression, anxiety, suicide and dementia. This will begin online due to restrictions with the future hope of perhaps holding something out with our church walls in the local Tesco Cafe.
